### Year End 2024

Year-end communications have been issued to our i-Connect contacts detailing what to look out for in your i-Connect submissions for the year. Your final upload should be sent as early as possible but, no later than **17th May 2024**.

This also includes the Compliance Certificate and Contribution Reconciliation sheet from previous year end exercises for completion.

We ask that these are sent to George MacIver ([george.maciver@glasgow.gov.uk](mailto:george.maciver@glasgow.gov.uk)) by 17th May 2024.

### Individual Member Retirement Quotes

Despite many members obtaining their own retirement quotes through SPFOne there are still a high volume of quotes required from SPFO that cannot be done through SPFOne.

We ask employers that, where possible, if you are engaging with the member after receiving a provisional retirement quote from us that you ask them to complete the commute form and member declaration form and forward this along with their retirement form.

Do not hold off sending the retirement if you do not have these completed forms as we will liaise with the member to get this information. However, if we have this information in advance it will speed up the process.

If you have any queries regarding this please contact [nicola.smith@glasgow.gov.uk](mailto:nicola.smith@glasgow.gov.uk)

### IDRP Appointed Persons

Can all employers please send their Appointed Person(s) contact details for IDRPs cases to [daniel.hughes@glasgow.gov.uk](mailto:daniel.hughes@glasgow.gov.uk)

### Year End Accounting

We will shortly issue information on obtaining 31 March FRS 102 and IAS 19 reports from Hymans Robertson to our usual accounting contacts.
