SPF50 - Rebrand

Strathclyde Pension Fund was created on 16th May 1975 as a result of Scottish Local Government re-organisation. So we will be turning 50 later this month. To mark that anniversary we will be rolling out a new brand logo. Look out for it first appearing in the middle of the month.

SPF50 – Save the Date

To celebrate our 50th anniversary we will be holding an event in-person in Glasgow on the afternoon of **Thursday 18th September**.

Venue and further details to be confirmed nearer the time.

The event will incorporate our 2025 AGM together with a look back over our 50-year history and some thoughts on the future.

Year End 2025 – Reminder

Year End 2025 communications have now been issued to our i-Connect contacts detailing the requirements for your final i-Connect submissions for the year.

Your final upload should be made as early as possible but, no later than 16th May 2025. Any outstanding queries should also be returned in advance of your final submission to bring your records up to date.
