Pensions in Partnership Survey

We want to make sure that PiP is getting the right information to the right people. We have created a short survey to help us improve our service delivery.

You can view and complete the survey here:

i-Connect Year End Returns 22/23

Its nearly that time of year again. We will be in touch over the next few weeks with the information required for the last file of the scheme year. It is imperative that all files are brought up to date ASAP. Please note that this is a scheme valuation year and the work required to submit clean data to our actuaries is dependent on final files for 2022/23 being submitted on time.

Call Centre Operating Times

As of 13th February, our call centre will be operational between 10.00am – 15:30pm Monday to Friday.
