Ill Health Liability Insurance

The IHLI premium will be 3.41% from 1st April 2019, deductible from employer contributions. Hymans Robertson will provide formal notification to employers who have this cover.

Employer Training

SPF has had a number of requests recently from Employers for training on various areas of administration so we're looking to schedule 4 days over the next year to host training sessions, in our office, for pension staff.

The first session on the morning of Wednesday 15th May will be on Form Filling (retirement papers, re-employment, etc.) Places will be allocated on a first come first served basis but depending on numbers we may also hold an afternoon session.

Requests for places should be sent to Karen.sweeney@glasgow.gov.uk by c.o.b. Friday 5th April.

Year-end exercise: Reminder

Year End submissions must be sent to spfposting@glasgow.gov.uk by **Friday 10th May**. Employers using i-Connect are required to submit the contribution reconciliation and compliance certificate. Templates can be found in the Employers section of our website (<https://www.spfo.org.uk/index.aspx?articleid=23973>).
