- Employer Training
- Employer Forum
- New Start Template
- Responsible Investment
- For Reference

### Pension Saving Statements 2019

We have issued over 450 Pension savings statements to all members with a 2018/19 pension input amount in excess of 35K.

### Employer Training

Our second training day was held on 12th Sep and once again feedback from those who attended was very positive.

Our next training day is scheduled for the morning of Wednesday 15th January 2020 and will cover issues with Pension Unique Identification Numbers.

If you are interested in attending please email [Karen.Sweeney@glasgow.gov.uk](mailto:Karen.Sweeney@glasgow.gov.uk)

### New Start Template

Our New Start template spreadsheet has been updated and can be found at <https://www.spfo.org.uk/index.aspx?articleid=15845>

### Employer Forum

Our 6-monthly Employer Forum for **non-local authorities** was held in our office on Thursday 3<sup>rd</sup> October. Slides from the forum can be found at the following link: <https://www.spfo.org.uk/index.aspx?articleid=15184>

### Responsible Investment

On 10<sup>th</sup> September, Strathclyde Pension Fund was named as one of the PRI Leaders Group 2019. **PRI** is the world's leading proponent of responsible investment with:

- 2 UN partners - UN Environment Programme Finance Initiative and UN Global Compact
- 2,300 signatories representing more than \$80 trillion of investments. (Strathclyde has been a signatory since 2008.)

The Leaders Group consists of 47 signatories, including Strathclyde.

Coinciding with the announcement that Glasgow is to host **COP 26** in 2020, this was a welcome endorsement of the Fund's credentials as a global leader in responsible investment and addressing climate change.

### For Reference

LGPC has published [Bulletin 189](#).

This bulletin contains a number of updates for LGPS administering authorities, scheme employers and software providers, whilst also providing a general update for all stakeholders. Of particular note is the revised late retirement guidance & annual allowance data.
