### IHLI 1.35% changing to 1.7%

The premium for our Ill Health Liability Insurance policy with Legal & General will increase to **1.7% with effect from 1 May 2018**. As previously, employer contributions for those employers who participate in the policy should be reduced by a similar amount.

### Year end deadline: 11 May

Please make sure that you have plans in place to deliver on your year end obligations that have a deadline of 11 May.

### LGPS 2018

There has been a delay to laying the new regulations in the Scottish parliament. We will add a News story to our website when we have an ETA for the new regs and their effective date.

### SPFOne pop up box

When we re-word the pop up box later this month for GDPR, users will need to tick the pop up box to access SPFOne the first time they use it after the rewording.

### Forms and Excels

It is particularly important that you make sure that you **use the latest versions** of these from this month, as we will be making changes to a lot of our forms for GDPR.

### For reference

The LGPC has issued **Bulletin 170**, on its new regs website at: <http://www.scotlgpsregs.org/bulletins/etc/bulletins.php>

**170** includes links to updated (for 18/19) automatic enrolment sample letters and an updated brief technical guide to AE.

During May we will be advising deferred members via letter / email that the **2018 deferred pensions updates** are available and that we plan to make 2018's In Touch, our newsletter for deferred members, available on our website in July.

Deferred members who prefer hard copies will be mailed with their pension update.

**We plan to issue the 2018 employee pension updates in August.**
