### Employers' Fora Friday 14 Sep

If you would like to attend a Forum for non-local authorities, please email [Karen.Sweeney@glasgow.gov.uk](mailto:Karen.Sweeney@glasgow.gov.uk) specifying if you would like to attend the **10:00** or **14:00** Forum.

The proposed agenda for both Fora is likely to include:

- 2018 year end
- LGPS 2018
- The new SPFOne

### emailing us: do not tag as private

Please **do not tag emails that you send to our shared mailboxes as private**, as these do not appear in these mailboxes.

### Forms and Excels

We have made a small change to our [S12 Redundancy Retirement Form](#) to ask about other concurrent posts, as these can result in unauthorised payment tax charges being applied.

We have added a form to the [Employers > Forms](#) area of our website: [Employer consent to early payment of deferred benefits](#)

### Retirement from 55

A [briefing note](#) about retirement from 55 is available from the [Employers > LGPS guidance](#) area of our website.

### Pensions politics

The SPPA is [consulting](#) on awarding Increased Pension Entitlements (IPes) for GMP related overpayments that arise from the current GMP reconciliation exercise.

No pensions in payment will be reduced and all underpayments of pensions will be corrected.

### For reference

We will be issuing our employee and Councillor **2018 pension updates** and our newsletter for employee members, **Fundnews**, during August.

Our phasing of the updates may mean that employees sitting next to each other receive their updates on different days.

The LGPC has issued **Bulletin 174**, on its regs website at: <http://www.scotlgpsregs.org/bulletins/etc/bulletins.php>
