Year end

Stephen has issued an email about our year end requirements to all employer contacts who supplied last year's return.

Please note the **13 May deadline**.

Clean returns will be more important than ever this year to ensure accurate LGPS 2015 benefit statements to members and so that we all stay on the right side of The Pensions Regulator.

His email and the supporting documents are available from the [Employers > More info > Year end](#) area of our website.

FRS 102 / FRS 17 / IAS 19

Paul.Heneghan@fs.glasgow.gov.uk has issued information about **how to obtain this pensions information for your 2015 / 2016 annual accounts** to our existing FRS / IAS contacts.

Non Local Authority Forum

Please email Chris if you would like to attend on Tues **23 Feb at 10:00** or on Tues **1 Mar at 14:00**.

Save the date - AGM

Our 2016 AGM will be on the morning of **Tuesday 21 June**, returning to its previous venue in the Glasgow Royal Concert Hall.

Absences

We have amended our guidance for employers on [How to deal with Absences](#), introducing a new Word Doc and a new Excel.

For reference

The LGPC will shortly issue **Bulletin 139**, at: <http://www.lgpsregs.org/index.php/re-sources/news-updates>

139 contains links to **updated HR, Payroll, 50/50, APC and Aggregation guides**.

We have mailed our 4,000 members with AVCs about **Prudential's new AVC funds**.

We have removed the **LGPS tax valuer** from our website, as it could only be used for tax years up to 14/15, for which the self assessment deadline has just passed.
