Sep 2016

IN THIS ISSUE:

- **Forms**
- **For reference**
- **2016 Cllr / employee updates**

Forms

We have introduced a slightly amended **S11**. Two questions on P1 have been reworded to enable you to tell us the exact post involved.

We have also amended the **death grant nomination form**

For reference

The LGPC has issued **Bulletin 148**, at: **<http://www.lgpsregs.org/index.php/resources/news-updates>**

It includes links to an updated guide to annual allowance and to an HMRC consultation on salary sacrifice.

Our website will shortly have a News story about the **Strathclyde Pension Fund Committee meeting** of 5 Sep.

2016 Cllr / employee updates

These have now all been issued. It would be helpful if you could issue an 'All staff' email using the following text:

Strathclyde Pension Fund has issued all of the 2016 Pension updates to its members

If you received a letter telling you that you can access your update via SPFOnline, bear in mind that the activation key is only valid for 30 days.

If you are an LGPS member who has not received any communication by mid September, it could be that the pension fund does not hold a current address for you, or that they have an out of date address for you.

If you move, please remember to advise the pension fund of your new address.

If you contact the pension fund about your update, they would appreciate you bearing with them if their phones are busy and whilst they work through their 'in box'.

Questions about your pensionable pay, hours or pensionable service should be directed to us: <<insert local HR / Payroll contact(s)>>.
