### 2016 annual report

Our audited accounts are now available from our website together with Audit Scotland's Annual Audit Report.

### Pension savings statements

We are required to provide these each tax year to members who have exceeded the HMRC Annual Allowance.

This year's statements will be issued by 6 Oct to members who have a pension input amount of **£35K or more** for 2015/16.

### Pensions politics

The UK government has published guidance for LGPS funds in England & Wales on investment matters that include asset allocation, risk, environmental, social and governance considerations, and the power of the government to intervene.

### For reference

The LGPC has issued **Bulletin 149**, at: <http://www.lgpsregs.org/index.php/re-sources/news-updates>

149 includes an update on the UK Government's proposals to limit **exit payments** to public sector employees working in England & Wales.

The Scottish Local Government Pension Scheme Advisory Board has published its first annual report
