### Requests for retirement calcs

A form suitable for retirements after 31 March 2015 is now available from the Employers : Forms area of our website. The **Jan 15 version** replaces the Aug 13 version.

**We expect to be able to produce such calcs from early March** on completion of our testing of new software for LGPS 2015.

### “A new LGPS starts on 1 April”: intranet / all staff email draft copy

You can **access draft copy** from the Word Doc next to this PIP.

### Actuarial valuation

All employers have now been issued with their individual results from the 2014 valuation.

Revised employer contribution rates are payable from 1 April 2015.

**We await confirmation of the employee rates for 15/16 from the SPPA.**

### Funding Strategy Statement

Comments on the draft FSS are still welcome until **6 Feb**. A final FSS will be issued in March.
